APPENDICES

A. Orders Distribution for ARNG Personnel Center
B. Orders Formats

Chapter 1

General

1-1. Purpose
This regulation prescribes policies and procedures for preparing and issuing permanent orders and orders by all elements of the Army National Guard.

1-2. References
AR 310-10 is a required publication. Related publications are provided in footnotes to individual orders formats.

1-3. Policy

a. AR 310-10 is applicable to ARNG units and personnel when not on active duty or active duty for training in a Federal status, except as modified herein.

*This regulation supersedes NGR 310-10, 15 June 1976.
b. The following provisions of AR 310-10 are not applicable to the ARNG:

(1) So much of chapter 1 that--

(a) Restricts issuing orders for branch transfer of commissioned officers.

(b) Restricts issuing orders that announce a change in strength, position, grade, MOS, or TOE/TDA number of an organization.

(2) Chapter 4 - Movement Designator Codes (MDC).

c. The State adjutants general are responsible for ensuring that all orders preparing headquarters, units, and agencies within their respective States comply with the applicable portions of AR 310-10 and this regulation.

1-4. Automation
The use of an automated orders system is authorized and encouraged.

1-5. Construction of new formats
There may be occasions for orders preparing agencies to devise new formats to meet their need. These formats, with written justification, will be forwarded through command channels to Chief, National Guard Bureau, ATTN: NGB-ARP-CS, 4501 Ford Avenue, Alexandria, VA 22302-1450 for approval prior to use.

1-6. Temporary duty orders/training orders
ARNG personnel may enter a temporary duty (TDY) status in conjunction with order to active duty for training (ADT) or active duty for special work (ADSW) or by DD Form 1610 (Request and Authorization for TDY Travel of DOD Personnel).

a. Orders formats. ARNG soldiers may be ordered to ADT or ADSW from their home station/home of record and enter into a TDY status on the date specified for travel to the station shown in the orders by using the orders formats listed below. The Automated Fund Control/Orders System (reservation system) automatically produces these orders. It also produces Format 400, Temporary Duty Travel, in lieu of DD Form 1610.

(1) Format 282 - ADT/ADSW for Period of Less than 20 Weeks.

(2) Format 290 - ADSW for Special Tours of Less than 20 Weeks.

(3) Format 294 - ADT/ADSW Without Pay or Allowances.

(4) Format 296 - Annual Training (AT) of Individuals.

b. DD Form 1610. The provisions of AR 310-10, Chapter 2, Section II, are applicable and should be followed.

1-7. Responsibilities
All federally recognized Army National Guard units or any split unit are authorized to issue written orders. State adjutants general are authorized to issue permanent orders. When authorized by regulation, they may delegate this authority to commanders of organizations authorized at the rank of lieutenant colonel and above.

1-8. Verbal orders
Army National Guard orders producing agencies which are utilizing the Automated Fund Control/Orders System will be granted an exception to the requirement to place the date in the VOTAG response to the "Authority or Effective date" lead line (e.g., "Confirms verbal orders of The Adjutant General").

1-9. Abbreviations and ZIP code

a. Heading, standard name line, signature block and distribution portion. Abbreviations for States and abbreviations and brevity codes listed in AR 310-50 and AR 680-29 are authorized for use.

b. ZIP code. The nine-digit ZIP code will be used throughout the order.

1-10. Authentication
ARNG orders issued by the State adjutants general will bear the authority line "FOR THE ADJUTANT GENERAL," "FOR THE GOVERNOR," or as cited in State statutes.

1-11. Endorsements
ARNG orders issuing agencies must endorse grade of rank on AD/IADT/ADT orders to reflect current grade in which a soldier is being ordered to duty when it is different from grade shown on order. Example: The orders of a REP trainee processed through MEPS shows grade E-1 but the soldier has been advanced to pay grade E-2 or E-3 as of the date the soldier enters on IADT. Order must be endorsed to show correct grade at time of entry on IADT.
1-12. Consolidated orders record set
File all orders under the provisions of AR 310-10, paragraph 1-22, Files.

2-6. Distribution
See appendix A for distribution of orders to the ARNG Personnel Center.

Chapter 2
Preparation of Formats

2-1. Formats
Appendix B contains formats for preparing most orders at all echelons of the Army National Guard. Formats authorized for use by applicable regulations and which appear in AR 310-10, appendix A, are also authorized. State Adjutants General are authorized to devise formats to meet their specific needs for use in State actions that do not affect the Federal status of units and personnel (e.g., placement of personnel on State active duty at a time of a natural disaster). Format numbers 800 through 810 are reserved for this purpose.

2-2. Paper size, type style, and page numbering

a. The standard size of paper on which orders are printed will be 8 1/2- by 11-inches. To conserve paper, the use of originals in paper size larger than the standard is authorized. These originals will then be reduced upon publication to the standard size prior to distribution. All final orders will be 8 1/2- by 11-inches.

b. Standard pica, courier 10 pitch, or similarly large type styles with a solid imprint (impact, laser, ink-jet, etc.) should be used for orders. The use of standard elite, courier 12 pitch, or similar style is also authorized. When an original will be reduced, the reduced print on the 8 1/2- by 11-inch paper will be no smaller than 15 pitch. Reduction to smaller than 15 pitch is not authorized.

2-3. Margins
The standard final margin is 1 inch for the right, left, and bottom margins. Right justification is not authorized.

2-4. Heading
Army National Guard orders producing agencies will use State Adjutant General letterhead or follow the provisions of AR 25-50.

2-5. Group actions
For those formats in appendix B which lend themselves to the use of multiple SNLs, two or more per order, the provisions of AR 310-10, paragraph 2-11, should be followed.
